

ICMP

The image shows a Wireshark packet capture window. The top menu bar includes File, Edit, View, Go, Capture, Analyze, Statistics, Telephony, Wireless, Tools, and Help. The toolbar contains various icons for file operations, capture control, and analysis. The packet list pane on the left shows a list of captured packets. Packet 93 is selected, which is an ICMPv6 Neighbor Solicitation message. The packet details pane on the right shows the structure of the packet, including Ethernet II, Internet Protocol Version 4, Transmission Control Protocol, and Transport Layer Security. The packet bytes pane on the right shows the raw data of the packet in hexadecimal and ASCII.
